LAW EXAMINATION

All applicants for dental licensure are required to pass a law examination. No applicant is exempt from this requirement. Applicants will be notified and sent a schedule of dates in which to take the law examination after approval by the Board. All applicants will be examined on the statutes and rules of Indiana related to the practice of dentistry and dental hygiene, universal precautions, and infectious wastes. This is a 50 question true-false and multiple-choice examination. Passing criteria is 75%.

The examination is based on the following:

- IC 25-13 Dental Hygiene Law
- IC 25-14 Dental Law
- IC 25-1 Professional Licensing Agency General Provisions
- Title 828 IAC Dental and Dental Hygiene Rules
- Title 410 IAC 1-3 and 1-4 Infectious Waste and Universal Precautions

ABANDON APPLICATIONS

If an applicant does not submit all requirements within one (1) year after the date on which the application is filed, the application for licensure is abandoned without any action of the Board. An application submitted subsequent to an abandoned application shall be treated as a new application.

CONTROLLED SUBSTANCE REGISTRATION (CSR)

The application for a CSR and instructions are available on the Board's website at www.pla.IN.gov. Please read the CSR instructions on how to complete the form and the fee required.

Applicants must have an active Indiana dental license before they can obtain an Indiana CSR. Dentists must hold one CSR in order to prescribe controlled substances in the State of Indiana. An additional, separate registration is required for each practice address at which a dentist physically possesses controlled substances to administer or dispense. A separate registration is NOT required for each place where a dentist merely prescribes controlled substances. One valid CSR is sufficient for a dentist to prescribe controlled substances throughout the State.

Applicants must use an Indiana practice address when applying for a CSR. The CSR can only be mailed to the address submitted on the application. A CSR will only be issued to a street address; post office boxes will not be acceptable unless accompanied by a street address. An application with an incomplete or out of state address will be returned. Dentists must notify the Indiana Professional Licensing Agency in writing of any change of address.

Applicants may apply for a CSR at the same time they apply for their dental license. However a CSR will not be issued until the applicant has met all criteria as listed within the CSR Instructions.

LICENSE EXPIRATION AND CONTINUING EDUCATION

All dental licenses expire on March 1st of even numbered years. Practitioners are required to have completed twenty (20) hours of continuing education per renewal period. You are not required to complete continuing education within the renewal period of which your license is issued.

Information regarding the continuing education requirement is available at the Board's website at www.pla.IN.gov. Or you may contact our office by calling (317) 234-2054 or by email at pla8@pla.IN.gov.
